The Rt Hon Liz Truss MP  
House of Commons  
London, SW1A 0AA

21 July 2022

Dear Ms Truss

Congratulations on making it through to the membership ballot in the Conservative Party leadership contest. The outcome of this leadership contest is not just important to the Conservative Party, but to the country as a whole.

The Catholic Union of Great Britain is a membership organisation, which represents the views and interests of the 4.5 million Catholics in England, Scotland, and Wales.

Catholics think and vote very differently, but there are certain political beliefs we share – including a strong belief in the common good and in the freedom of thought, conscience, and religion.

In order to help Catholics who have a vote in the leadership contest as Conservative Party members – and to inform wider society – we are asking you to respond to the questions below.

- **The Catholic Union has campaigned to make the tax system fairer for families. Would you make reducing the tax burden on families a priority, including increasing the amount of personal allowance that can be transferred between couples?**
- **We believe that law makers should seek to protect human life in all its forms – recognising the value of each person. Will you commit to upholding the dignity of life by resisting calls to introduce assisted dying legislation in this Parliament and by looking at practical measures to support pregnant women?**
- **The Catholic Union welcomed the Government's manifesto commitment to implement in full the recommendations of the Bishop of Truro's report into the persecution of Christians. What practical measures will you take to ensure that championing freedom of religion or belief will be a greater priority for your Government?**
- **The Catholic Church has a proud history of educating young people. Around 10 per cent of children in this country attend Catholic schools. Do you recognise the value of Catholic and other faith schools in our education system and commit to removing the faith cap on new free schools?**
- **The Catholic Union has championed the importance of upholding fundamental human rights, including free speech and religious freedom. Will you ensure that expressing the teachings of the Catholic church never risks falling outside of the law in this country?**

Thank you for taking the time to consider these questions.

We look forward to hearing from you and having the opportunity to work with you in future.

All best wishes.

**Nigel Parker**  
Director
